May the Road Rise to
Meet You,

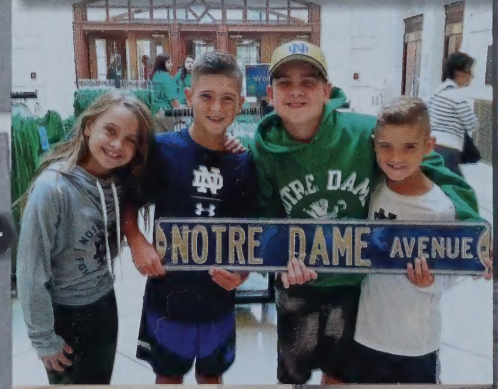

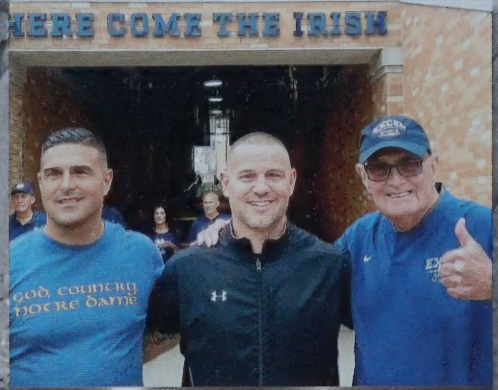

May the Wind be Always
at Your Back,

May the Sun Shine Warm
Upon Your Face,

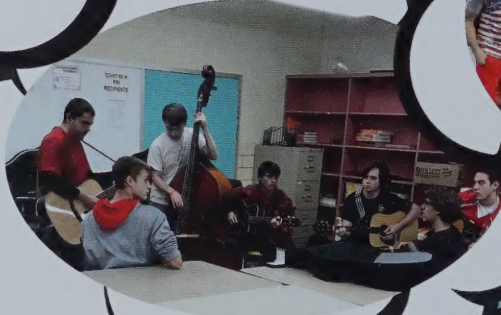

And the Rain Fall Soft
Upon Your Fields.

And, Until we Meet again,

May God Hold you in the

We are so proud of the man you have become. We wish you love and happiness in all you choose to do. We love you so much!
Love, Mom & Dad and Anthony and Frankie

To our amazing daughter Kayla,

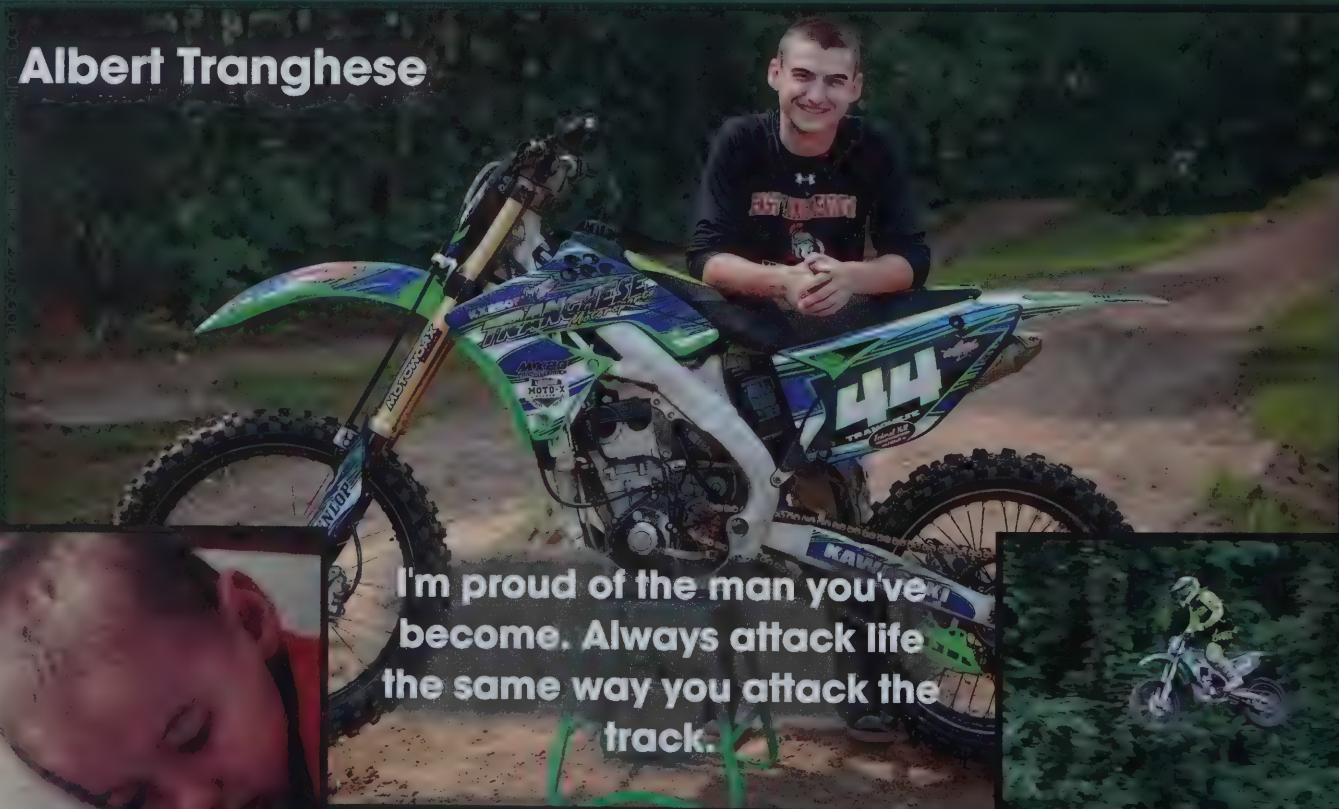

What a ride it has been at ELHS. It has been far from smooth — with lots of ups and downs, which mirrors life. You have faced adversity and have risen from it to show your true colors. When life gave you lemons, you juggled them... and in the end, you made apple juice and left them all wondering how! We are so proud of the woman you have become. The future is yours... as the inimitable Dr. Seuss explained:

"You're off to Great Places! Today is your day! Your mountain is waiting, So... get on your way!"

Love always, Mom, Dad, Aylee, and Talya

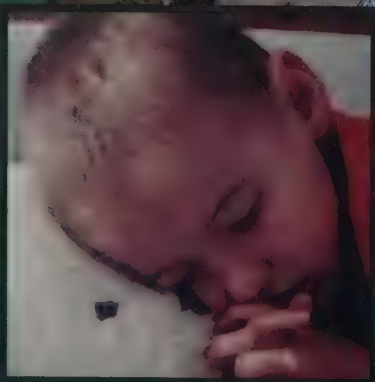

Albert Tranghese

I'm proud of the man you've become. Always attack life the same way you attack the track.

Love ya kid
Dad

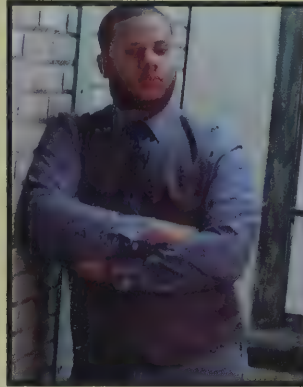

CONGRATULATIONS, ANTHONY!!!

From the precious moment of your birth to this defining moment of high school graduation, we watched you develop into a young man of excellence. You are compassionate and caring with an earnest desire to affect change in your community and the world. I am so proud of you, and the man you have become. Continue on your journey of greatness! Take God and the love of your family with you wherever you go, allow godly insight to light your path, and when challenges come, know that the love and wisdom of God and family envelop you.

Remember, "the ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy." - MLK

Stand strong my son, and live, laugh, love your legacy of greatness!!!

Love,
Mom, and Nana.

Congratulations Vito

From the moment you were born, I knew my role as a mother was complete. You have always been filled with strength and adventure and have excelled in everything that you wanted to try.

You have taught me many things as I have watched you grow. You've taught me how to find joy in the moment. You always go out of your way to make everyone happy, your laugh is infectious, and you have a huge heart.

You attract friends wherever you go and you are loyal to them. You have been a leader these past four years in school, on the soccer field, and at home and I know that you will continue to be the leader that this world needs.

You have a tenacity and ability to accept life as it unfolds and I know this skill will serve you well in the next stage of your life.

This past year has been a year of letting go as you have begun to plan your future. My heart is filled with pride knowing that you are fulfilling your dreams.

I love you Vito,

Mom

I hope the days come easy and the moments pass slow, each road leads you where you want to go, and if you're faced with the choice and you have to choose, I hope you choose the one that means the most to you. If one door opens to another door closed I hope you keep on walking till you find a window, if it's cold outside, show the world the warmth in your smile. More than anything, I hope you never look back, but you never forget all the ones who loved you and the place you left. I hope you always forgive and you never regret, and you help somebody every chance you get, find God's grace in every mistake and always give more than you take. More than anything, my wish for you is that this life becomes all that you want it to, your dreams stay big, and your worries stay small, you never need to carry more than you can hold, while you're out there getting where you're getting to, I hope you know somebody loves you and wants the same things too!

We love you so much and are so proud of how much you've grown into a wonderful young man!

Concert band is a class that brightens everyone's day. This year, the group has been split into two classes: Seniors/Juniors and Sophomores/Freshmen. Within the both groups, the instruments range from Flutes and Clarinets, to Saxophones, Trumpets, Trombones, Percussion and others. What some people don't know, is there are subsections of instruments, like the Baritone and Tenor Saxophones, Bass Clarinets, Piccolo, Tuba and Baritone Horns. Although they practice apart, when they come together, all the musicians mix like the family they are to perform pieces ranging from Disney's Moana, adventurous Pirates of the Caribbean, to forceful pieces powered by percussion, featured in our concerts and the marching band.

The East Longmeadow High School Orchestra is a lively ensemble of strings players ranging across all levels of musical experience and abilities. The strings program was founded in 2012, and the Class of 2019 will be the last of its original members. Since its beginning, the orchestra has grown tremendously in both size and skill, now featuring over 30 musicians on violin, viola, cello and upright bass. The orchestra performs songs of all styles, including classical favorites like Beethoven and Mozart, contemporary pop hits such as One Republic's Counting Stars, and songs from fantastic musicals like The Greatest Showman. In addition to performing at the Music Department's December, March, and May concerts, we play for local senior centers and nursing homes (even when someone's grandma tries to boo us off stage).

Some songs that were performed include: "Groovin' Hard", "Three Guys", "Get in Line", and "Kick It". They also enjoyed performing "Soul Man" in Spartanum. Throughout the year, each musician got the chance to learn how to improvise and play solos in the context of the music. As a high energy group, each experience was enjoyable and gratifying to all.

This includes the comedy *Play On!* performed in the Fall, and the musical *Anything Goes* in the spring. The hardworking students of this club spent countless hours rehearsing, memorizing lines, and raising funds to create the perfect performance. Drama Club is known for its fun times and the supportive family environment that lasts beyond the stage.

A pink ribbon symbolizes breast cancer awareness. This year the Pink Ribbon club meets on varied days at 2:00 after school. The club was created to heighten awareness and to raise money for breast cancer research. The club was and still is currently advised by Ms. Renear. The club traditionally volunteers at the Rays of Hope walk each year. Both the Pink Ribbon and Key Club members team up to attend this event. The club members also help with any other jobs that make the walk a success. Although October is an important month for the club, we still do fundraisers throughout the year to raise money to donate. All students are welcome to join!

The Literary Magazine a.k.a. "Writing Club" is a low stress environment to practice and try out all kinds of genres. Every year they publish two literary magazines, each with a different theme. Anyone in the school can submit a piece of their writing to the magazine but going to the club meetings is the fun part. They play games, brainstorm ideas, and even talk about their favorite books and authors with each other.

The ideal peer educator is a guide, an older student who's a reassuring model for students who feel unsure in making decisions about alcohol and drugs. The use of peer educators is based on the belief that some students better relate to each other than with adults who may not be as comfortable discussing these issues. The essential part of being a peer educator is being able to be an effective communicator and leader. They interact with the community, educating the dangers of destructive behavior.

Every year, Spartanum is a widely anticipated event by students, staff, and families of ELHS, and this year was no different! In the months leading up to the show, performers, MC's, directors, and back-stage crew worked extremely hard to make the show successful. East Longmeadow's community was blown away by the talent shown by singers, dancers, musicians and everyone involved with the production. Fans even said it "was the best Spartanum the school has seen in years!" We would like to thank Mr. Kiernan and Mr. Bail for leading the show to such greatness. We would also like to thank everyone who showed their dedication, hard work, and of course, brought some good vibes!

This year's Football team had a group of tight knit seniors who led the Spartans to an impressive record of 8-3 and an appearance in the Western Mass Finals. The Spartans had high hopes coming into the 2018 season under the motto "Change the culture". They finished with a regular season record of 5-10-3. They were able to come in second in their league and clinch a playoff spot for the first time in four years. They won in the first round of the playoffs against Amherst 2-0. It's a team no player will forget, and a family they will always be a part of.

The Boys Indoor Track & Field team had a successful season. We had a small team this year after graduating a lot of seniors from last year. We finished the season 6-7 with many individual personal best times and jumps. Senior, Chad Lavelle, high jumped phenomenally all season jumping all the way to the State Division 4 Meet. His best jump of the year was 5'11". The 4x8 team of Alex Adamo, Turner Wilson, Marco Atwater, and Colin Forbes ran their best time at the state divisional meet. We had a great group that consistently worked hard and improved each week.

The 200 Medley Relay of Owen Oldenburg, Noah Bedard, Anh Nguyen and Matthew Fisk broke a 44 year old record from 1975 with a new school record of 1:41.76. This season was all about growth for our team. We had a slow start but as the season went on, the girls began gelling a bit more. We finished off the season with a 5-15 record. Although this was not exactly as great of a record as we had hoped for, we learned a lot and grew a tremendous amount together as a team. We look forward to a strong season next year.

Ski Team is the most underrated sport at ELHS. Both the male and female teams come together to race down snow covered trails at speeds passing 40 mph. The boys team has won Western Mass for the past four years. The girls team has many incredible skiers, improving with every run. Skiing may seem like it's not a real sport, but it's far more exhilarating than any other.

A season of growth, endurance, and friendship. Whether it was talking and laughing, getting set for the next shot, stuffing ourselves at pasta parties, or cheering each other on, we stuck together. The 2019 boys tennis team always overcame adversity even during tough matches. They always played their hearts out and left it all out on the court, no matter how difficult their opponent appeared. Through the years, they became a much closer-knit group of players which led to an increase in good team atmosphere. Last season, they had a record of 11-7. First singles Anh Nguyen had an outstanding run in the Western Mass individual tournament, making it to the semifinals. Last season also marked the end of the era of a great and well-respected coach, Arturo Rizzo. But with new coach, Jeff Morneau, the boys are shaping up well for success in the 2019 season.

Lacrosse

Following back to back league championships, and last year's 18-2 record which was the best in the history of the program, the 2019 ELHS Boys Lacrosse team is working hard to establish its own identity in its quest for a three peat. The backbone of the team are midfielders Isaiah Thomas '19 and Austin Seiffert '19 who consistently outwork opponents in the transition game and a punishing defense that includes Ryan Ward '19, John Oliver '20, Logan Ward '20, and Joe Mara '21. The attack is anchored by the scoring of Michael Trase '19, and the unselfish abilities of newcomers Andy Miller '20, and Rex Maccarini '21. The future looks bright as the junior varsity team continues to win games playing fast and physical lacrosse. *The Spartan Way... 110% - Defense -IQ*

"The team this year has a lot of promise. They are smart and studious on the baseball field as well as in the classroom. We have a team first attitude and every player

plays for the guy next to him. This is a group that has the potential to do something very special. I am excited to see how it all comes together!"

Softball

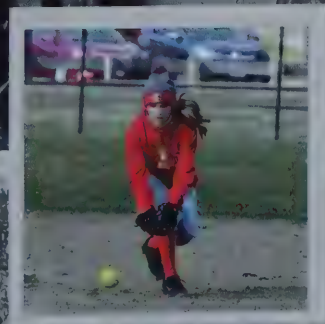

For the 2019 softball season, the East Longmeadow Spartans were led by three senior captains. Janelle Cavanaugh, Bridget Laviolette and Hannah Sterling were entrusted with grooming a passionate young team. The team was also joined by Kelsey McGuill, who could not participate due to an injury. Coach (Lindsay Sawyer) Beer and Coach (Jerry) Sawyer return for their 4th season as a father/daughter coaching combo.

Pasta parties, ice cream trips, captain's practices, as well as other team bonding activities have made the team feel like a chosen family to those who played and created friendships to last. Spartans softball 2019 is closer and stronger than ever in their trust for one another.

Dedication

Ms. Patricia Hafey

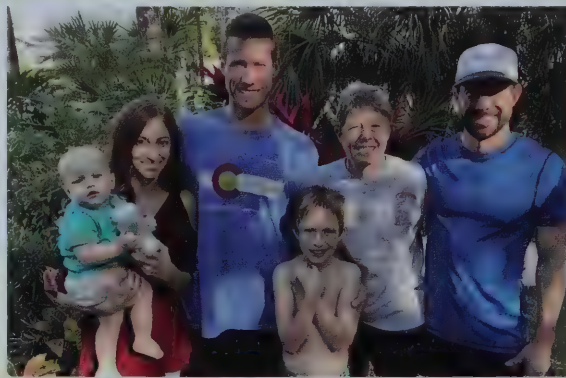

"Tough times don't last, tough people do." Ms. Hafey is the epitome of these words, which can be seen by her students on the walls of her classroom. She has faced adversity and has persevered in spite of it. Her endurance and strength inspires her students to never give up.

Ms. Hafey graduated from ELHS in 1974 as an outstanding student athlete. Her excellence in field hockey, softball, and basketball earned her a place in the first ever class of the ELHS Athletic Hall of Fame. Enshrined in 2010, she's one of the few teachers to receive this prestigious honor. Her passion for sports and wellness led her to Slippery Rock State College where she received a degree in Health and Physical Education while playing field hockey. In 1979, she returned to East Longmeadow where she has made an impact at all five public schools, either by teaching or coaching. Now, her love for her students can be seen every day in the connections she makes with each of them both inside and outside the classroom. Students of her Health Education class are always treated to her knowledge of eating healthy, the Nutrition Detective Project, and Zumba. She always has a large presence at Spartanum, ELHS sporting events, band and chorus concerts, and the annual Art Show. You may even see her gardening in the courtyard with her Spartan Block. Ms. Hafey is a teacher who has spent her career educating students and encouraging them to be the best version of themselves. Without her impact, ELHS would be an entirely different place. For her hard work, dedication, and enthusiasm, the ELHS Class of 2019 proudly dedicates its' yearbook to Ms. Patricia Hafey.

We cannot wait to see what your next adventure holds.
